Dear Mr. Winger:

**Yobany Chacon**  
*Secretary*

We are pleased to submit to the Local Agency Formation Commission of the County of Los Angeles the signatures required to begin the proceedings for the incorporation of the City of East Los Angeles.

**Francisco Cendejas**  
*Director*

A total of 16,427 signatures were collected from among the 36,672 registered voters since June 19, 2008, the day our first signature was collected. The total amount of signatures we are submitting is approximately 80% more than the minimum requirement of 9,168 signatures. We circulated a total of 2,099 petitions within the designated 180 day period.

**Ana Mascareñas**  
*Director*

The residents of East Los Angeles have made their voices heard. Together, we are paving the way to create a city government and provide future generations the opportunity to participate in self-governance.

**Kristie Hernandez**  
*Director*

Our community is now ready to proceed with the incorporation process.  
It's Time!

Sincerely,

East Los Angeles Residents Association
